February

Message from the Principal

We had a great January!

Learning about the legacy of Dr. Martin Luther King and celebrating our right to choose to attend Delta Bridges during National School Choice Week. We talked about what we like about our school and finished the week with a school choice dance assembly.

This month more celebrations! We will celebrate Black History Month, being 100 days smarter, Valentines/Friendship Day, Read Across America, and our PTC being dedicated to raising additional money for our school.

Reminders

- **Great attendance is crucial** to your child's education. Missing just one day can make a big difference. Family vacations should be planned around the school calendar.

- **Gate opens at 8:10 AM**, only students that are here for breakfast may enter between 7:45 and 8:05.

- **Personal electronics are not allowed** at school. If your student is caught with an electronic device it will be confiscated and given to the principal where only a parent will be able to retrieve.

- **SAFETY** There have been several close calls at the stoplight. Please observe all traffic laws, use extra caution, keep our families safe. Also, there is one way in to the parking lot and one way out.

Did you know? *International Journal of Food Science and Nutrition, and the American Journal of Clinical Nutrition* show that academic achievement among students who eat school breakfasts tends to rise, especially in math.
