PRINCIPAL'S MESSAGE

Our students have been making great progress in our quest to be more Safe, Kind and Fair. Each day we see students working to resolve and avoid conflict and to create a school environment that is positive and accepting. I would invite parents to stop by the office and see the "Dragon Scales" that attest to all of the great things our kids are doing to make our school community the best it can be. This would not be possible without this message being reinforced at home so I would like to extend my thanks to our Delta Charter families for all you do to make our school and our community a better place.

Perfect Attendance Club

Students able to maintain perfect attendance for a specified period of time will be automatically enrolled in the Perfect Attendance Club. Members of this group will be eligible for special recognition and rewards such as exclusive assemblies and spirit gear. On December 11th members of the Perfect Attendance Club will be treated to an amazing African Drum and Dance show. While nothing can replace quality instructional time we understand that occasionally absences are unavoidable. Accordingly students can maintain perfect attendance status by completing independent study for up to five days a year. Please contact Lisa to arrange this.
