PRINCIPAL'S MESSAGE

Delta Charter School is funded based on student attendance. Each day your child is absent our school loses out on funding. This funding allows us to provide many of the programs that our students enjoy such as music, sports, and artist in residency. Please make sure that your child is attending school so that we can continue to offer these programs. With good attendance, also comes recognition. Students who have good attendance for the 2nd trimester will be treated to a special assembly like the ones held in the past.
