Delta Charter Schools

Authorized by the New Jerusalem Elementary School District Board of Trustees

11/30/2017

Greetings Delta Charter High School Parents/Guardians,

Regular attendance is extremely valuable to every child. In addition to the pupil's loss, the school loses vital state funds for absences. Recently, the New Jerusalem School Board adopted a policy implementing Saturday School for students with unexcused absences and excessive tardies.

DCHS will begin enforcing our new Saturday School policy effective next week, December 4. We will be notifying parents/guardians on Monday if your student was tardy or had an unexcused absence and we will begin assigning Saturday School beginning on Tuesday, December 5.

Please speak with your student about the importance of being in class on time and being present to school. If your child will be absent for any reason please notify the school the morning of the absence. You may request a single day independent study contract by notifying the office a minimum of 24 hours prior to an absence.

Below is the policy adopted by the Board:

SATURDAY SCHOOL/SCHOOL SITE COMMUNITY SERVICE

Students, whether through their own actions or those of their parents/guardians, who accumulate more than three unexcused absences per year will be assigned Saturday School hours for each unexcused absence beyond three. In addition, any student who is tardy more than three times per semester may also be assigned Saturday School Hours. Saturday School hours may also be assigned for disciplinary infractions. Saturday School must be served at one of the next two available Saturday School sessions; failure to do so may result in further discipline including additional hours, and up to and including disenrollment. Student athletes will not be allowed to participate in sports if they have more than four Saturday School hours. Other school activities may be restricted for any student owing more than four Saturday School hours and is at the complete discretion of the Principal. Student may be offered School Site Community Service hours in lieu of Saturday School hours. School Site Community Service hours are completely voluntary and are assigned by mutual consent of the student, parent/guardian, and principal. All rules which apply to Saturday School also apply to School Site Community Service.

Students are required to be in the assigned Saturday School classroom no later than 8:00AM to receive credit for attendance. Students must stay for the entire four hours unless prior arrangements have been made with the principal. Students are required to bring school work to complete during the Saturday School session; if not, work will be assigned by school staff. Failure to make adequate progress on above mentioned work, any disrespectful behavior, failure to turn in phone immediately upon arrival to Saturday School, or further violations of the school's disciplinary policies, will result in removal from Saturday School (all hours will be forfeited). Further disciplinary action will be taken and may result in disenrollment. Students who have verifiable religious objections to Saturday School are exempt and the student will be provided an alternative time to serve their hours.

If you have any questions regarding the Saturday School policy, please contact Mr. Vierra at (209) 830-6363 or gvierra@njes.org.

Thanks,

George M. Vierra
