

Please see the below list for possible educational activities. Delta Empire encourages parent choice and individualized student learning, and we strive to offer a wide range of educational options for all of our students.

If you would like to attend any of the educational activities listed below please discuss with your EC at least thirty days prior to the outing. Your EC will submit a requisition for the tickets and deliver them to your home, at the same time collecting an assignment which will help prepare your student for the activity.

Students may attend as many educational activities as they like during the school year, with a limit of one visit per venue per month. In other words the student could visit the Sacramento Zoo five times during the school year, but only once per month. Students are allowed to participate in more than one activity per month.

This list is not all-inclusive. If you are interested in an activity which is not listed please talk to your EC.

The Sacramento Zoo <http://www.saczoo.org> 2-16 \$7.75 17 & up \$11.75  
<http://www.saczoo.org/page.aspx?=259>
